

## Commissioning artwork for your home

The Bluecoat Display Centre in Liverpool, is an independent craft and design gallery offering YOU the opportunity to create the perfect living space, catering for both modern and traditional genres and covering a wide range of craft and design from glass, ceramics to wood and canvas.

Now is the time to consider the possibility of purchasing a unique one-off commissioned piece of artwork for your living space.

With the introduction of a pioneering Own Art Scheme you can now purchase an inspirational bespoke piece of artwork through an innovative Interest Free Loan.

Loans ranging from £100 - £2,000, repaid in 10 monthly installments are available for you to make this concept become a reality - your very own reality.

At the Bluecoat we will facilitate your introduction into the World of Art and ensure that you receive specialist help and advice. You will be able to commission an individual design and with the wealth of experience from our staff and the artists your individual commission will complement your interior or exterior living space.

The Reality is here and It's within your reach.
